

Manitoba Genealogical Society Call for Nominations 2021 - 2022

As a member of good standing it is your privilege and right to be able to nominate MGS members for the elected Executive positions. As a registered charity we depend on the Executive and Council members to oversee the many departments that keep us thriving in the Manitoba heritage community.

Holding a position on the executive is an excellent way of networking with other experienced members to advance your research, knowledge and experience. Please consider letting your name stand. If you are willing, or if you know another MGS member who would consider letting their name stand, please enter the name(s) on the nomination form below. You can only nominate one person per position.

To exercise your right, please sign and return this form by sending a scanned copy of the signed form by e-mail to nominations@mbgenealogy.com
